Dear Bob,

On behalf of the Fist of the Fleet Association I would again like to thank you and Jan for participating in our Fist 11 Reunion in Pensacola. The collection of photographs you so expertly recorded and shared with us will be an indelible record for our membership to cherish and share with their fellow Fists and families. I sincerely hope you both enjoyed the reunion and will consider attending future Fist events.

As a token of our sincere gratitude for your efforts, the Board of Directors of the Fist of the Fleet Association has unanimously voted to grant you Honorary Membership status in the Association. I hope you will accept this small jester in the friendship and appreciation for which it is intended. It is my distinct honor Bob to welcome you as our newest Fist.

Sincerely,

Gary L Kerans  
President  
Fist of the Fleet Association
